**MAKE YOUR PLANS NOW
TO ATTEND THIS YEAR'S
CONFERENCE.**

The Higher Education Partnership is proud to host the 2009 STARS Leadership and University Advocates' Conference at the Hilton Sandestin Beach Golf Resort & Spa in Destin, Florida August 9—11, 2009.

As faculty, staff, administrators, students, or anyone involved in higher education, we should not be apathetic concerning the issues facing our institutions. It is our responsibility to voice our concerns to our state's legislative leaders.

The STARS Leadership and University Advocates Conference offers you a learning experience on how to advocate your concerns. It is important to know the issues facing higher education and become educated as to the stance taken by the universities. Learn the best methods of communicating with your legislator.

Conference participants will enjoy an opportunity to acquire or enhance their skills of advocacy. They will then learn how those skills may be put to good use as university lobbyists update participants on issues which are specific to higher education.
